"Vision without execution is hallucination"

A portrait of Uwaoma Eizu, a man with short dark hair, wearing a light-colored shirt and a dark tie. He is looking directly at the camera with a serious expression. The background is a solid dark purple color. On the right side of the image, there are several thick, white, wavy lines that curve upwards and to the right, creating a modern, abstract design element.

Perhaps known best as a social entrepreneur, Uwaoma Eizu is also the recipient of the International Ken Saro Wiwa award for literature as well as the founder of Foundation 360 and the Potters Lounge, Ikoyi which has grown to become a hub and quarterly event for hundreds of the best young minds to meet and interact up close with the society's most successful. He also hosts and facilitates at the Hexavian MasterClass, an intensive 9 hour class on Business, Brand, Strategy and Project Management for executives in a posh private resort in Ikoyi. He is best known best for his intellect, creativity, aura, experience and a rich track record and ability to continuously deliver on value driven projects.

To continuously create value in minds, projects and businesses. To strive for optimal input and excellence at all time in line with projects, creative deliverables and in the case of organizations, in line with the concepts and purpose of being hired while building proficiency and standards in all the position and platforms held.
